

The Triple Threat - 3 in 1 Bed Frame

- **The Triple Threat is a powerful bed frame.**

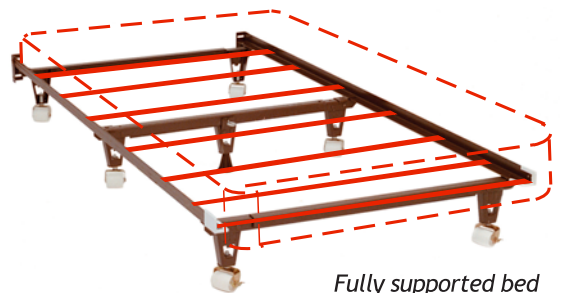

The Triple Threat bed frame features a side to side steel center support that works in all three sizes. It also has 1-1/2 inch hardened steel side rails, 71 inches long. Extended rail caps protect linens and box springs. All sections are double riveted for unparalleled strength.

*The Triple Threat
Bed Frame*

- **Complete support for your mattress.**

With seven points of contact and extended length side rails, the Triple Threat bed frame supports the entire mattress set, giving excellent support.

Fully supported bed

- **One frame, once in a lifetime purchase.**

The Triple Threat 3 in 1 bed frame is the frame that fits for life, covering bedding sizes Twin, Full, and Queen. The side to side steel center support (two rollers and one glide) adapts for each size, creating superior rigid upright bed support.
