

The Ultima - One Size Fits All

- **The Ultima features a double beam support in every size.**

The Ultima bed frame features 1-1/2 inch hardened steel side rails, 71 inches long, and a 65 inch double angle steel center support. All sections are double riveted for unparalleled strength.

*The Ultima
Bed Frame*

- **Complete support for your mattress.**

With six points of contact and extended length side rails, The Ultima bed frame supports the entire mattress set, giving excellent support.

Fully supported bed

- **One frame, once in a lifetime purchase.**

The Ultima 4 in 1 bed frame is the frame that fits for life, covering the complete spectrum: Twin, Full, Queen and King. All sizes include a twin beam vertical support with 2 glides, creating superior rigid upright bed support.
